EDITORIAL

Well here it is, our first attempt at a school magazine, (and editorial). Way back in November we started out with a bang but after some time things began to peter out. When March rolled around we suddenly realized that we had but three short months left to produce some kind of a magazine. So by pestering, pushing, and gently prodding everybody within sight we managed to produce our first effort. So read on and enjoy it and please excuse any (all?) mistakes, after all nobody's perfect, least of all us. Last year we were reminded to start early, our advice for next year's editors is to start early, and don't stop working until you have the finished product in your hand. Good Luck (you'll need it.)

Mary Jane Henning and Vivian Leir

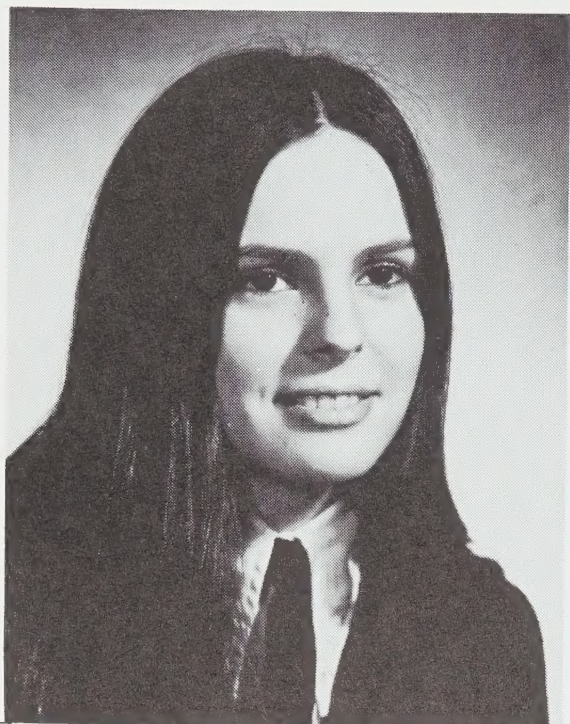

Miss Scott's Message

Every year when your Editors come to me and say, "Miss Scott have you written your message for the Magazine" I find myself thinking what can I say which will be new. In fact, today, we are probably faced with too many new things, new bits of equipment, new ideas, new theories, new plans for classes, new arrangements of timetables. It is, perhaps, better to think of some of the old things which are still true and need to be remembered. However many changes come about, our relationships with other people are largely unchanged and they rest largely on thoughtfulness for other people, unselfishness, consideration for other people's feelings, respect for other people's belongings. If these things are forgotten in the hustle of the many new things we have to absorb, life could become very unpleasant for everybody. Happiness might well be defined as good relationships with other people. True happiness stems much more from this than from having things and doing things. Having things and doing things can be very empty, unless they are linked with people we enjoy associating with. Sometimes young people are inclined to think that courtesy only refers to the way they treat adults. Courtesy, in fact, refers just as importantly to the way they treat each other. It is small courtesies which make everyday life smooth and pleasant.

These are the things which I hope Norfolk House girls will always remember. No matter how swiftly we move into the future, consideration and thought for others will always be part of a world which is a happy place to live in. Also, I hope, always part of the picture at Norfolk.

CAISTER HOUSE REPORT

Motto – "Caister men never turn back"

House Captain – Heather Dunbar

Vice-Captain – Rosemary Rayfuse

Secretary – Wendy Williams

Junior Captain – Alixe Allen

This year has been a fantastic one for Caister. We tried hard in everything, making up for what we lacked in ability with enthusiasm and House spirit. Athletically, our house is fortunate to have such as Sherry Smith, Rosemary Rayfuse, Frances Jones, Janet Shepard, Alixe Allen, Theresa Rayfuse, Briony Penn and Lesley Marsden. With these and all the other enthusiastic Caisterites we are looking forward to a very successful Sports day and Gym competition. In House Badminton through the efforts of Elizabeth Hamersley, Frances Jones, Joy Butterfield and Alison Paine we managed third place. Thanks to all of you.

Although there were very few inter-house competitions for the juniors, they never failed to greet me with handfulls of hard earned house points. Special mention here goes to Grades four and five.

At every game or sports meet our school participated in there would always be a strong delegation of Caisterites there to urge our team on. Extra thanks to Mary-Anne Wiggins who always seemed to be there.

In House Basketball, we played our first game with much determination. If we play the rest of our games the same way we should do very well. Our House Choir is coming along very well under the able management of Rosemary Rayfuse, and with the fantastic voices of our House, especially Grades seven, eight and twelve, how could we possibly fail.

Caister's scholars are maintaining an excellent standard, and are contributing many house points. Special thanks to Frances Jones, Clare Barry, Linda Greene, Birgit Bulling, Lesley Marsden and Phillipa Jackson.

Finally, I would like to thank all forty-seven of you for making this such a great year for Caister, and I wish you all the best of luck in the future.

DEREHAM HOUSE REPORT

Motto – “United We Stand”
 Captain – Penny Chapman
 Vice-Captain – Julia Adams
 Secretary – Shelagh Houston
 Junior Captain – Diana Graeme

Dereham may be the smallest house but its members make up for its size in their enthusiasm. Up to now, only House Badminton has been completed, in which we placed second. House Hockey was unfortunately not completed otherwise we would definitely have won! (We all know how deft Dereham girls are with sticks in their hands.) And then there is House Choir coming up . . . Knowing how practised we are in using our vocal chords before prayers I am quite sure we will do well – if we aren’t the best voices at least we will be the loudest. Sports day and National House Day are looming in the not too distant future and we are a sure first in the apple bob and pie eating contest, while we cannot predict the outcome of the crab walk as of yet.

Seriously though, Dereham has had an all over good year. We have people like Caroline Simpson, Hilary Wells, Vicky Kendrick, Shelagh Houston, Kathy McCue, Pam Temple, and Dawn Lewis to thank for their participation in the various activities that have gone on this year. Thanks must also go to all the spectators that came to support school teams in outside matches. Dereham may not come first point wise this year but to me there isn’t a house that is better, for spectating, participating and enthusiasm – and thats’ what counts in the long run. A final word to next year’s House Captain – I have introduced this year the Galloping Gourmet Award which goes automatically to the House Captain as part of the qualification to hold that position. Funny thing, but we always seemed to have the best House Meeting attendance when there was a piece of cake or two to be handed out.

WALSINGHAM HOUSE REPORT

Motto — "Never Despair"

House Captain — Myrna Murdoch

Vice-Captain — Holly Fowler

Secretary — Sharon Angus

Junior Captain — Stephanie Clark

This year Walsingham has had the co-operation of almost every member in the house, and has been well represented both athletically and scholastically. Although we have not ranked first, I admire the effort expended by all the participating girls. All of us have great expectations for the House choir competition and also Sports day! Many thanks to those who regularly contributed house points and attended house meetings, and various school functions. It was a very good year and I hope the following ones will be even better. Good luck to you all and thank you for having me as your house captain.

Myrna Murdoch

WYMONDHAM HOUSE REPORT

Motto – “Keep our gold the Surest, Brightest, and Purest”

House Captain – Tibby Gladwell

Vice-Captain – Mary Jane Henning

Secretary – Mary Williams

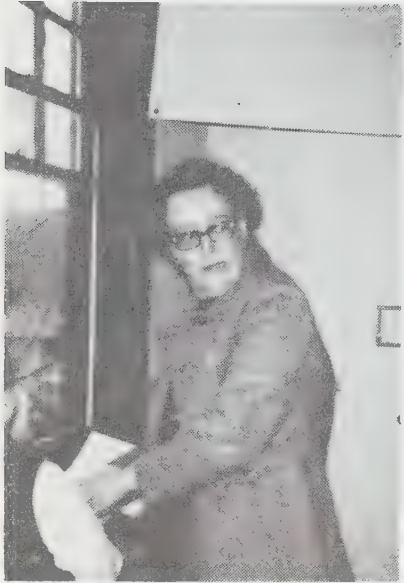

Junior Captain – Terry Jones

This year Wymondham was very successful. The enthusiasm in both the Junior and Senior school was fantastic. All the new juniors that had never been to Norfolk before were always coming and saying “What’s a house”, to explain this was in a way very difficult. “A house is where you compete against other girls and have a yellow ribbon to tell the difference. In a house we earn house points toward a cup given at the end of the year.” After understanding this we would have their enthusiastic participation, and in the house meetings all these little hands would be thrown in my face with slips of paper saying “Adrian Skinner has earned one House point” or “Pam Fife has earned one House point” and many, many more. Now for the senior school because the teachers don’t give House points for spelling the seniors earned House points by coming to watch Hockey and Basketball games and for this term Tennis and Track.

House activities this year were filled with excitement, House Hockey because of bad weather had to be cancelled. In Badminton, thanks to Roxana McKenzie, Sara Neely, Leslie-Ann Browning and Mary Jane Henning we came first. Basketball is in the process of being completed and we have great hopes for Choir and Sports day.

In closing I would like to give special thanks to everyone for making me their House Captain this year and thanks to Mary Jane Henning for her overwhelming support. Thank you everyone, and “Keep our Gold the Surest, Brightest and Purest.”

Tibby Gladwell

Who!!! Invented the lightbulb!

These are our prim and proper Norfolk school girls?

And now! Modelling her latest creation. . .

SPORTS

FIRST ELEVEN HOCKEY TEAM

Penny Chapman (GK) — Our able Student World Reporter proved she could talk her way into being a most capable Goal Keeper. A Goal Keeper should almost be vindictive towards the opposition and this was Penny's only fault — she clapped when a goal went against her. (Especially when we played against S.M.U.)

Heather McIlree (RB) — There cannot be another player on the Island with a stick as heavy and as big as Heather's. (The rule book states 23 ozs.) But she wielded it well.

Tibby Gladwell (LB) — When not talking to Penny in goal, Tibby often produced sparks of brilliance, but at times when we thought she'd never see the oncoming forward. (Do they call that perfect timing?)

Shelagh Houston (RH) — An attacking half-back who hardly knew the rules at the start of the season, but how quickly she became an individual team member. (yes, Shelagh, the half does take the roll.)

Heather Dunbar (CH) — Whether a back (which she hates) or a half, Heather was a team "stalwart", but never seemed really happy . . . or was she? She certainly came into her own in the game against S.M.U.

Mary Jane Henning (LH) — A player who has yet to look like she knows what she is doing, but still performs with regular calm and success. Think of water-polo and you will be fine.

Rosemary Rayfuse (RW) — From Right-Back to Right-Wing over the summer holidays, Rosemary soon discovered the ease of performing a right hand dodge around girls but the boys were different. . .

Andrea Nasmyth (RI) — Oh, what potential, speed and ball control, yes, but those sticks were there with regularity — but the goals came. One question, why charge a Goal-Keeper twice your size?

Pam Temple (CF) — The responsibilities of a captain are arduous but Pam coped well, except perhaps sometimes expecting too much of herself. Still not enough goals but a part well played. Congratulations on your Selection as a 1971 B.C. further reserve.

Stephanie Olynyk (LI) — "Hustler" must be her second name. A good year, she is learning the rules well these days. Shall we see this name on the Canadian Team list within 5 years?

Holly Fowler (LW) — The rest of the team realized they had a Centre-Half this year so Holly was well used. Can we hope for some goals next season?

Leslie Ann Browning — An able player who "played many parts on this stage" but quite often required a golf club to take free hits.

This year our 1st eleven took a giant step in the right direction. Determination, interest and practice all paid off. As well as the twice weekly league games. We managed to make it from the Vancouver Island Tournament to the B.C.s and the Bridgman. The results of the League were as follows:

	1st Round	2nd Round
N.H.S. vs		
Vic High	3-1	4-0
St. Margarets	7-0	6-0
Oak Bay	3-1	2 pts. they defaulted
Claremont	5-0	2-0
Mt. Doug	1-2	0-1
Belmont	9-0	They defaulted
Mt. View	5-0	They defaulted
Esquimalt	3-1	1-0

Final positions in the League:

- 1st — Mt. Doug
- 2nd — Norfolk House
- 3rd — Oak Bay

Thus placed we moved on to the V.I.s.

COLOURS

This year Hockey colours were awarded to Tibby Gladwell and Stephanie Olynyk. Colours were reawarded to Pam Temple and Honourable Mention went to Heather Dunbar and Penny Chapman.

THE SENIOR BRIDGMAN

This year's Bridgman was most successful. Although we did not reach the top, our team got to the semi-finals. Here we met our one rival Mt. Doug, resulting in a 2-0 win for them. They went on to the finals, losing to Oak Bay 1-0, making the final results:

- 1st — Oak Bay
- 2nd — Mt. Doug
- 3rd — Point Grey
- 4th — Norfolk House

THE VANCOUVER ISLAND TOURNAMENT

The results were as follows:

- 1st — Mt. Doug
- 2nd — Q.M.S.
- 3rd — N.H.S.
- 4th — Cowichan

THE B.C. TOURNAMENT

This tournament was a weekend affair, starting Friday and continuing through to Saturday noon, ending with a banquet and award receiving night.

On Friday the games were as follows:

N.H.S. vs Grand Forks	5-0
N.H.S. vs Crofton	1-0
N.H.S. vs Kelowna	1-1

The results of these three games placed us first in our section. We then played the quarter final against Burnaby South, defeating them 3-0. This put us in the semi-finals.

Our opponents in the semi-finals were Point Grey, who defeated us 1-0 after a hard game. They then went on to defeat Mt. Douglas in the final game. The final placings were:

- 1st — Point Grey
- 2nd — Mt. Doug
- 3rd — Norfolk House

JUNIOR BRIDGMAN HOCKEY TOURNAMENT

The Spring term at Norfolk belongs to the Junior Hockey Team with about twenty girls from Grades 7-9 practising skills and learning as much as possible about the game to represent the school in the above Invitational Tournament. Many schools are invited and this year twelve teams entered, eight from Victoria and four from the Duncan area. There were two sections and each team played five short games.

Norfolk came second in their section, winning two games and drawing three, behind Lansdowne Junior Secondary. We met Quamichan in the semi-final and just managed to score, through Mary Olynky, before time was up.

The final brought Lansdowne and Norfolk together again, Lansdowne having beaten Crofton House 2-0 in the other semi-final. There was no score after the full-time so the two schools played five minutes overtime, but although both teams came very close to scoring, they remained level and the trophy was shared.

Our team deserves great credit for playing so well under the leadership of Debbie Johnston, and for playing with such enthusiasm. It is good to know that most of this team, plus the very loyal reserves who also trained so hard, will be available to play next season.

Team: Gk. Susan Horner, RB. Diana Oliver, LB. Anne Wallis, RH. Mary Garden, CH. Debbie Johnston, LH. Stephanie Clark, RW. Penny Murray, RI. Mary Gladwell, CF. Mary Ann Wiggins, LI. Mary Olynky, LW. Terry Jones
Reserves: Theresa Rayfuse, Alixe Allen, Jill Walker, Joan Robertson.

N.H.S. VS S.M.U.

On March 23rd, our 1st eleven played a rousing game against the Senior Boys from St. Michael's University School. The Boys weren't quite up to standard, never having played before, but when they discovered what the sticks were for, they started to make a bit of progress. Being Rugby and Ice Hockey players they proved to be a little rough. It was, however, the most fun and exciting game we have ever played.

The boys won 3 - 1, by sheer fluke. But, next time, boys, TRY FOLLOWING THE RULES!!!!!!

Father — Daughter Hockey Game

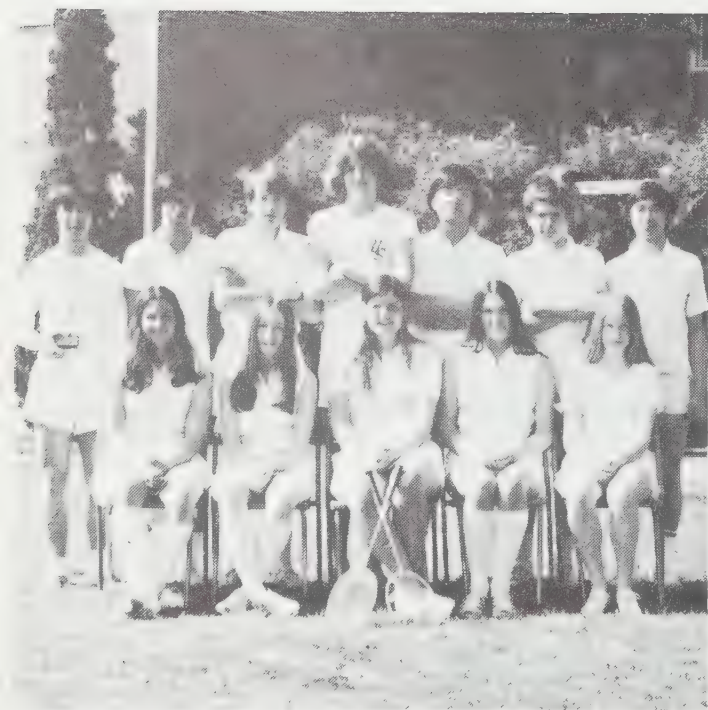

The most exciting display at Open House, was without a doubt the father and daughter hockey game. The fathers showed a strong defence that the daughters found hard to penetrate. After one hour of hard play we are happy to announce that no bodies had to be removed from the field. The game concluded with a scoreless tie. Both the fathers' team (which included umpire) and the daughters' team enjoyed not only the excellent game but also the enthusiastic spectators that cheered them on.

Independent Schools' Track Meet

This was held at Queen Margaret's School in Duncan on a beautifully sunny day. Competition went on all day and the final events were exciting as the results were too close. Crofton just managed to edge Q.M.S. and Norfolk for the title.

SENIOR HIGH SCHOOL BADMINTON LEAGUE

This weekly tournament runs throughout the season and all Senior High Schools take part. This is the second year that we have entered with St. Michael's University School and to the surprise of the Public Schools we brought off first place.

Norfolk/S.M.U.	50 points
Victoria High	49 points
Claremont	46 points

'A' Doubles Pam Temple and Julia Adams

'B' Doubles Tibby Gladwell and
Mary Jane Henning/Frances Jones

'A' Singles Heather Dunbar

Mixed Doubles Roxanna McKenzie

Colours were awarded to: Pam Temple, Heather Dunbar,
Roxanna McKenzie, Julia Adams.

HOUSE BADMINTON

Held at St. Michael's University School gymnasium in March. Each house had to provide two Double pairs and a Single player.

Results:

1. Wymondham	8 points
2. Dereham	5 points
3. Caister	3 points
4. Walsingham	2 points

INDEPENDENT SCHOOLS BASKETBALL TOURNAMENT

Norfolk House were to travel to Strathcona Lodge for the tournament as defending champions; could they do it again?

It was enjoyable for everyone to be staying at Strathcona School with the games to be played in the Shawnigan Lake School Gymnasium.

We were in Section A to play Strathcona and Croften. We played Strathcona on Friday evening winning 27-11, a good start. Saturday brought numerous games, our first against Croften who looked very competent and had one exceptional player. Well, we lost but only by 19-22 after an exciting and enjoyable game. This left us second in our section behind Croften. We were then scheduled to play the winners of Section B, York House. This proved to be another 'stormer', Stephanie Olynik scoring the winning basket for Norfolk to win 19-17.

So there we were in the final, to make it an all-Victoria final we were to play our old rival, St. Margarets (who had beaten us twice this season). What a final! Our girls really brought out their best. Just on full-time, one of S.M.S. had a free throw and scored. Overtime for three minutes and we did it, the final score being 20-16.

Well played everyone.

Team players: Sherry Smith, Pam Temple, Heather Dunbar, Kathy McCue, Stephanie Olynik, Mary Jane Henning, Tibby Gladwell, Madeline Todd, Jennifer Rummel.

Colours were awarded to Sherry, Heather and Kathy.

BASKETBALL SHOOTATHON

After the successful Walkathon last year we decided to attempt a Shootathon to raise money for Sports Equipment and in particular an official set of basketball uniforms for our team.

Most girls from Grades 3-12 took part, the junior grades shooting from a closer line than the Seniors, who were meant to be more proficient hoop competitors. Each girl had 15 shots and the target was to score as many baskets as possible, there being no time limit.

The final total of money collected was \$182.00, much more than we had hoped for.

The following girls collected the largest amounts:—

Stephanie Olynik	\$13.59
Pam Temple	\$11.39
Sara Neely	\$10.44
Vivian Leir	\$10.00
Jennifer Nelles	\$10.30
Kathy Molly	\$10.00
Linda Greene	\$ 7.15
Holly Fowler	\$ 7.00

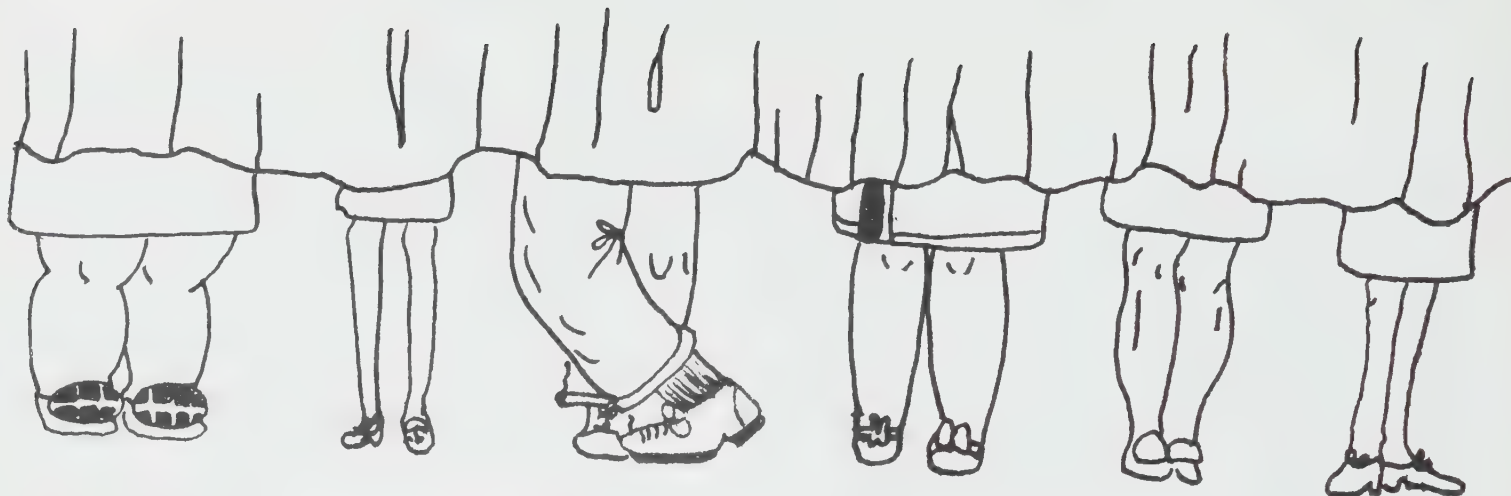

(N.B. Mrs. John collected \$17.84)

JANUARY 1972 — Independent Schools Badminton

At Croften House, which meant us leaving at 6:00 a.m. to catch the 7:00 a.m. ferry! Pam Temple and Roxanna McKenzie were the Senior Doubles couple; Heather Dunbar, the Senior Single and Frances Jones and Mary Jane Henning the Junior pair.

Norfolk provided stiff competition for the other schools and only just failed to beat Croften House for first place. This was a well deserved second place.

CURTAIN CALL FOR
PETER PAN.

PETER PAN WAS NEVER LIKE THIS

At Christmas the combined drama classes of grades nine to twelve of S.M.U. and N.H.S. presented a pantomime written by Mrs. Gloria Peyton. It was enjoyed by large audiences who attended with enthusiasm. Special thanks go to Langham Court who generously allowed us to use the theatre for our final performance.

Thank you Mrs. Peyton!

LITERARY

Write something for English. WRITE SOMETHING FOR ENGLISH?!! That teacher is mad! What does she think I am, a computer? Find me a question and I'll spit out an answer. I am no good at writing on command. So I shall look around and maybe I shall get an inspiration. There are two kinds of people sitting here. The first is writing industriously, gazing for a minute, getting an idea, and writing it down. The second kind of person is doodling, laughing, whispering or staring into space, or rather at the ceiling. I used to be one of the latter but since I have written a whole paragraph I am one of the ones who is writing industriously.

CLOCKS

A very time consuming job
is given to the clocks.
All night and day, year in year out,
Their hands go round and round
. . . Until they are worn out.

WHITE BIRTH

They are born,
Into a dizzying world of whiteness.
Their eyes are not yet open;
They cannot see these glistening flakes driving down.
The ancient, hovering giants clothed in scaly bark
Who guard the entrance to their warm birthplace
Do not exist for them.
The thousands of shattered rainbows,
Captured in the crystals of snow,
Remain there,
Unseen by these small creatures.
They cannot see this world,
But they can feel it,
And smell it.
Their small, unsteady bodies tumble over one another,
Falling, gently onto the dirt of their den.
For a moment they are lost,
Confused in this strange world,
But the soft fur of their mother is there, protecting, assuring,
And once more they are prepared to meet the world.
A breath of cold wind rushes past them;
They smell it.
It smells of living things:
Of the frozen wood outside,
The millions of forms of life caught up in it.
Curious, they set out towards it,
Their paws grope, unseeing, tentative.
It was frightening and painful,
To be pushed so violently into a harsh land,
A land so strange,
So cut off from the warmth they had just left.
A wave of loneliness sweeps over each of them,
As they struggle out into the darkness of the den.
The mother, peaceful, silent, watches,
They have been born,
And soon, too soon,
All three small foxes,
Will be on their own,
In a white world.

HAIKU

A flash of colour
among endless rows of green
Crimson strawberry

Hands
lined, old, yet still strong
tired from eternal bondage
folded in prayer.

The calm, serene pond
Shattered by a lone pebble
As falls a child's tear

Paratrooper
Spat from angry plane
Float down with feathery ease
Prodigal returns

THE EARLY MORNING

The soft early morning dew hangs
Lazily on the sleeping branches;
Through each transparent window
Can be seen the magnificent views
Of yellow and green, and behind that,
The awakening sky.
As the sun rises higher,
It's mellow, gentle rays filter
Through the heavens of greenery
Into the heart of the silver drops.
Instantly they become alive with
Gleaming, dazzling reflections
Of rainbow prisms.
They escape from their inclosing cases
And dance to and fro from
neighbouring drops,
Until the entire wood is alive with light.

THE WAVE

The wave swells to existence;
A few feet from shore
It arches majestically
Higher and higher
Forming a wild, foaming crescent;
Gathering momentum and power
It reaches its peak
Until it thunders
On the sloping beach . . .
The sea's hollow, mournful roar,
Echoing, is drowned out by
The rush of the retreating wave.
Pebbles are drawn down,
Down the slope
Rolling with the undertow,
Only to be enveloped by
Yet another wave,

Written after walking home on a snowy evening:

It was cold
The little town grew quiet
and one by one
the inquisitive stars
pushed through the blackness
A reverent hush fell —
one by one they descended
first slowly
then more and more
and quicker and quicker
Pure white flakes
Hundred upon hundred
of minute
yet perfect crystals
resting ever so gently on each other
Silently they erased all blemish
all trace of evil
and replaced it
with an immaculate smooth carpet
of glittering diamonds
Out of the darkness
a new-born baby cried
and the snow glittered blue
under the light
of a great star.

Veronese

His portraits give the subject a confident appearance, but any splendour wanted is shown by the setting—the character is left to look completely natural.

The art of Veronese is far different from that of Titoretto—although they were contemporaries. Veronese, from Verona, Italy, was one of the last painters to work in the style of the Renaissance artists—using rich colours and flowing lines to illustrate religious and mythical scenes. Against golden, tranquil countryside Veronese painted rich, luxurious costumes on handsome people, to impart a feeling of religious pageantry. In his landscapes Veronese used simple costumes and backgrounds to give a sentimental image.

UNITED NATIONS CLUB

President — Barbara Schulze, Grade 12
 Vice-President — Debbie Jawl, Grade 11
 Secretary — Jean Hopkins, Grade 10
 Treasurer — Leslie-Ann Browning, Grade 10

This year the United Nations and Social Service Clubs have worked together more than in past years. Many of our fundraising activities have been co-operative efforts and our major project, the Hunger Supper, was a joint activity.

Besides the Hunger Supper we have heard several speakers, including Jerry Redmond of the National Youth Council for the United Nations. Several films dealing with the United Nations and Human Rights Issues were shown. An International Lunch was organized for the Club members and gluey rice, left over from the Hunger Supper, was served. We participated in a Youth Opinion Survey being circulated all over Canada by the National Youth Council for the United Nations investigating student opinion on issues such as the U.N., Canada's sovereignty, and Human Rights.

In February we held a Model U.N. Assembly within the school, with Jerry Redmond as President of the Assembly. Two resolutions were discussed, one dealing with the admission of Mainland China to the U.N. and the other dealing with Apartheid as practiced in Southern Africa. At the end of the month eight Grade 11 members of the U.N. Club participated in the annual Vancouver College Model U.N. Assembly representing Cuba, France and the United Kingdom. Also in February one of our members, Barbara Schulze, attended the annual Inter-Provincial Seminar on the United Nations in New York.

Several activities are planned before the school year ends, and we hope to be able to send at least two members to the annual United Nations Seminar at U.B.C. this summer.

In conclusion I would like to thank those members who have helped with club activities throughout the year, without your help our projects would not have been possible. As always a club such as this can only be active and interesting if the members are willing to become active and involved.

Barbara Schulze

VANCOUVER COLLEGE MODEL ASSEMBLY

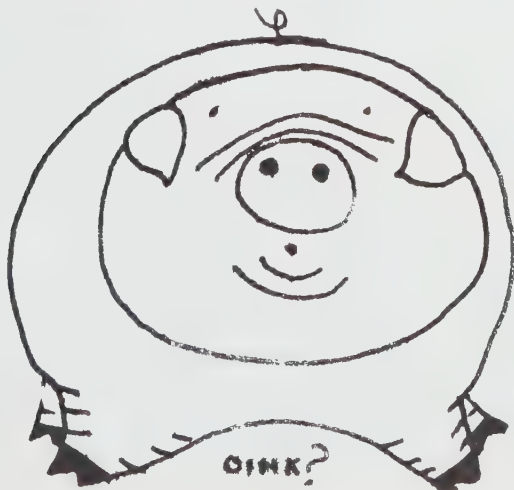

On February 25th, twelve girls from our school, including members of N.Y.C.U.N. attended the annual U.N. Model Assembly held at Vancouver College. This year our school represented Great Britain, France, Cuba, Pakistan and Bangla Dësh.

Upon arrival, we all gathered in the cafeteria to register, receive our schedules and were collected by the students who were to billet us for the weekend.

We arrived at the school on Saturday morning and separated into our various committee meetings. Following this, a luncheon was provided by the school, after which all the delegates crowded into one room to start the General Assembly, which we all found extremely interesting because of the enthusiasm of the delegates.

Following the Assembly, was a delicious banquet and then a very successful dance.

Sunday morning we returned to Victoria.

HUNGER SUPPER

The Hunger Supper, held November 19, 1971, was jointly organized by the Social Service and United Nations Clubs. As a result of mailing invitations to all Norfolk House families the turnout was quite good. The purpose of the Hunger Supper was to increase the awareness of the participants of the situation in East Pakistan and to collect donations to send for aid in Bangladesh through the Combined Appeal for Pakistani Relief. Due to our lack of proficiency in cooking we served gluey rice, and lukewarm tea, but we feel that a good time was had by all, especially the organizers. We collected \$235 to send to the Combined Appeal, so we can truly say that the project was a complete success. Our thanks go to Safeway of Canada Ltd. for donating the rice, and to various and sundry students and parents who donated other food items, thus keeping our initial costs down to a minimum. I would like to thank all those girls who spent so much time organizing and serving, and most of all the people who came to make the project a success.

The Debating Club

This year, although there weren't quite as many participants as there were last year, our debating club kept very active indeed. At the beginning of the year a meeting was held at St. Michaels — University School to which all the schools on the Island were invited. The purpose of this gathering was to try and form an official debating society on Vancouver Island. Although no society was actually formed it did arouse a lot of enthusiasm and a short while later Norfolk was invited to attend a debating workshop at University School. The workshop was held using a very formal parliamentary style, quite different to anything we had ever done before. We were only invited to send a senior team. Later on, throughout the year we had several debates, mainly our junior team against St. Michaels. The big event of our debating year was the Hammarskjold Cup. The junior topic was "Be it Resolved that Canada should abolish all import tariffs and restrictions against goods manufactured in undeveloped countries" and the senior topic was "Resolved that American investments in Canada's survival as an independent nation". The senior negative team and both negative and affirmative junior teams won two out of three of their rounds and the senior affirmative won one. We did not reach the finals but we felt that the day was immensely profitable anyway and Norfolk will do even better next year. In conclusion, we would just like to say thank you to Mrs. Reid who has been both our coach and our sponsor for yet another year.

Library Committee

BOOK SALE

In November, the Library held an extremely successful book sale. Over three hundred books were bought and donated to the Library. Thanks go to everyone who supported this worthwhile effort. We would like to specially thank grade seven who have bought twenty-nine books from their profitable sales of "Library Lore". Keep up the good work Grade Seven!

SENIOR CHOIR REPORT

This has been a very happy year for the Senior Choir. We have participated in numerous concepts and functions, specifically, our annual visit to Mount Saint Mary's during the Christmas season, and caroling at the Simpsons Sears Mall.

The Choir is very pleased with the production of our long-play album, and many thanks go to Miss Pearcy for her

leadership and enthusiastic interest.

We are participating in both the Victoria and Vancouver Music Festivals this Spring, and are all looking forward to the competition and judge's criticism.

Thanks once again are extended to Miss Pearcy for her tireless efforts, and to Mrs. Fleming for her accompaniment.

Robyn Thompson, Choir Captain

SOCIAL SERVICE

Co-Chairmen — Susan Rogers, Susan Clark
Vice-Chairman — Holly Fowler

Secretary — Jay Hopkins

Treasurer — Leslie-Ann Browning

This year the Social Service and U.N. clubs have worked closer together than in previous years. Through the co-operation of the two clubs we managed to organize a Hunger Supper which raised the sum of money of \$235.00 for the refugees in Bangladesh. This was followed by a variety of films illustrating problems existing in certain countries of the world. At Christmas two needy families in Victoria were given hampers and presents. The grade nine's made an afghan blanket which was donated to an elderly couple.

As volunteers went regularly to help with the children at Bishop Cridge Day Care Centre. Thanks go also to the students who volunteered to feed patients at Mount St. Mary.

The younger grades put together a number of health kits which were donated to the Red Cross Society. Various grades organized bake sales and popcorn sales to raise funds for the club. The Red Cross Society organized a Deaf and Dumb Seminar followed by six lessons illustrating to the students the handling of problems that may arise.

Finally, we would like to extend our thanks to everyone who supported our sales and to Miss Scott for backing up our projects this year.

FASHION SHOW

This year the Grade Twelves decided they needed to get their hands on some money so that they could give the school a really worthwhile end of year present. It was decided that this project should involve the whole school and allow the Grade Twelves to really show the stuff they're made of. So . . . we had a Fashion Show. Eatons supplied the clothes, CFAF helped publicize it and donated door prizes and the most sylph-like Grade Twelves (and oh were they hard to find) modelled. There were two shows on March 4th and lots of students, old girls and parents supported the cause. A delicious tea was provided afterwards and everyone had a good time. Thanks go to everyone who came to watch and the models Joy Butterfield, Frances Anne Gladwell, Robyn Thompson, Pat Platt and Felicity Provins who together with Tibby modelled childrens wear. A special thanks go to Denny and Steve from University School for their graceful job modelling the latest men's fashions. All in all it was a very successful show and grade twelve managed to achieve their goal.

OPEN HOUSE

Norfolk House and St. Michaels University Schools had an Open House in order to enable the public to see how our schools operate. Different classrooms displayed our various courses offered. There were girls working in the artroom, playing tennis and working out in the gym. Other girls acted as guides for our visitors. Every visitor seemed to enjoy himself and some were amazed at the various talents of our girls. Many thanks to all those who gave up their weekend to make those two days interesting and rewarding.

NORFOLK HOUSE DANCE 1972

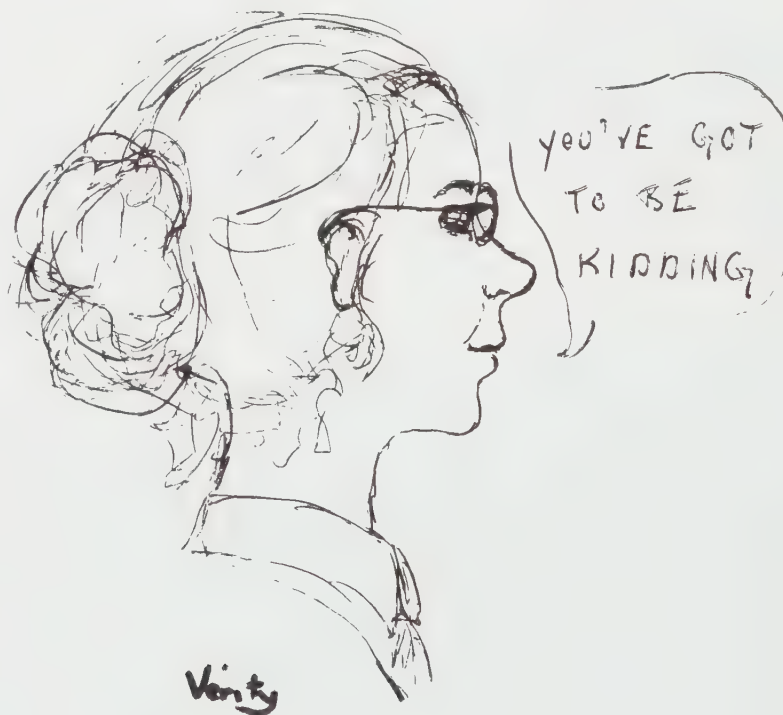

On March 11 the grade eleven dance was held, which turned out to be very successful. Our band was Stallion Thumrock, who played a variety of numbers and some requests during the evening. Midway through the dance they played a different version of Happy Birthday to Mrs. Gardiner. Everyone agreed that the band was terrific.

Special thanks are extended to Mr. and Mrs. Gardiner and Charlie, who contributed so much to make the dance a success. Good Luck to next year's dance committee. There is quite a lot of work involved, but the results are gratifying.

THE BAZAAR

On the 25th of March, Norfolk House held a very colourful Bazaar. There were several interesting and amusing stalls, including a dunking machine which was a joy to all who watched! There was also a novelty stall, flower shop, bakery shop, done by various grades, and a cafe run amazingly efficiently by the Grade 12's. Our bazaar was extremely successful and made well over \$3,000. We would like to thank everyone who participated on this special occasion.
